(b) the details of present teledensity of rural and urban areas; and

(c) the steps taken by Government to remove the disparity between the rural and urban connectivity and also to increase the rural telecom penetration?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) and (b) Yes, Sir. As on 30.09.2004, the Rural Tele-density is 1.66% as against Urban Tele-density of 24.08%.

(c) (i) To minimise the gap between rural and urban areas, a non-lapsable Universal Service Obligation Fund (USOF) has been set up to fund telecom services in the rural and remote areas at affordable and reasonable prices. The scope of support from USOF scheme, apart from other services, covers VPTs in all revenue villages. As on 30.09.2004 523390 villages out of 607491 villages have been connected through Village Public Telephones (VPTs).

(ii) BSNL has also planned at least one WLL Base Transreceiver Station (BTS) in each Short Distance Charging Areas (SDCA) all over the country chiefly to cater to the demand in far-flung rural areas.

Provision of telephone facilities in the villages

83. PROF. M.M. AGARWAL: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the number of villages in the country which are presently without telephone facility, district-wise; and

(b) the details of the steps, if any, taken by Government to provide telephone facility in these villages along with the time frame?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD NARAYAN RAO): (a) At present, 66,822 villages excluding depopulated villages, villages less than 100 population, villages affected by insurgency, inaccessible villages and villages lying in thick forest are without telephone facility in the country. Telecom circle-wise details of uncovered villages are given at Statement-I (*See* below). Secondary Switching Area-wise (SSA-wise) details of such villages are given at Statement-II (*See* below).

(b) Telephone facility to these uncovered villages is scheduled to be povided over a span of three years *i.e.* by November, 2007 as per tender terms & conditions, finalized by the office of Administrator of the Universal Service Fund.

Statement-I

Telecom circle-wise details of uncovered Villages

Sl. No.	Name of Telecom Circle	Number of uncovered villages
1.	Andhra Pradesh	1,074
2.	Assam	8,931
3.	Chhattisgarh	5,043
4.	Gujarat	4,144
5.	Himachal Pradesh	1,002
6.	Jammu & Kashmir	1,755
7.	Jharkhand	1,694
8.	Madhya Pradesh	11,894
9.	Maharashtra	6,441
10.	North-East	3,678
11.	Orissa	4,899
12.	Rajasthan	12,386
13.	Uttranchal	3,881
	Total	**66,822**

Statement-II

Secondary switching area-wise (SSA-wise) details of uncovered villages

1. Andhra Pradesh

Sl. No.	Name of SSA	Number of uncovered villages
1.	**Adilabad**	97

Provision of FAX/STD/ISD to Gram Panchayats

84. PROF. M.M. AGARWAL: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether Government have formulated a policy to cover all the Gram Panchayats of the country with public phone facilities including FAX/STD/ISD etc; and

(b) if so, the details thereof and by when the above facilities would be provided?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) The Government has formulated a policy to cover all the revenue villages including all uncovered Gram Panchayats in the country as per Census-2001 with Village Public Telephone facility including STD facility on these VPTs.

FAX/STD/ISD facilities are available in the exchanges and can be provided on demand.

The Government has also a policy to provide FAX/Internet facility in those villages where population exceeds 2000.

(b) At Present, subsidy support is being provided to Village Public Telephones already installed in about 5,20,000 villages. An agreement has been signed in November 2004 by the office of Administrator (Universal Service Fund) with Bharat Sanchar Nigam Limited (BSNL), to
